Authorization

False information given on the application will be cause for denial of this application or termination of the lease. As part of the processing procedure, an investigative report may be made whereby information is obtained through personal interviews with third parties. Inquiries into your credit, employment, rental history, personal character, and sex offender background are all a routine part of our application screening. Information gathered may also be used in the collection process after residency.

My signature certifies that I/We are above the legal age, that the information given is true and correct to the best of my/our knowledge, and that the information has been provided in order to induce consideration of this application. I/We hereby authorize owner or agent to verify any and all information and obtain such character information, financial information, sexual offender information, and records as may be necessary for approval or rejection of this application.

If you are declined or offered an apartment with more stringent conditions based in part or in whole on your credit, you have a right to obtain a free copy of your credit report from the AmRent if you request it within 60 days. You have the right to dispute the accuracy or completeness of the information on your credit report. You will receive a letter with contact information for the AmRent.

Payment of a \$25 application fee (first two applicants) and \$10 (each additional applicant) is required for the privilege of submitting the application. Stewart Langley Properties requires that all applications for the apartment and documentation required to process said applications be submitted within 48 hours of initial application and payment of holding deposit. At that point, Stewart Langley Properties will hold the Apartment/ House/ Duplex in exchange for the required \$300 (\$400 for Kendall Square) holding deposit until this application has been approved and for the following 48 hours, during which the signing of the lease MUST occur. Applicant must be available by phone at all times during business hours (as the 48-hour period begins once approval is made) and available to sign in person, email, or by FAX immediately. The apartment will become available for others to rent at the end of 48 hours after approval or after a period of 48 hours if all necessary information is not provided to process the application. If the lease is signed within 48 hours of approval, the 'holding deposit' will be applied to the security deposit and non-refundable administrative fee associated with the above listed apartment. If for any reason the application does not result in a lease, the holding deposit will be refunded pursuant with the Virginia Residential Landlord and Tenant Act section 55-248.6:1.

I have read and understand the aforementioned, and sign below my authorization.
